

Abrahamic-Studies Part 5: Was the Bible given to the modern Jews? By Rabbi Simon Altaf

Created 12 July 2011

Edited 15th July 2011

Terms:

Yahushua – The real name of the Messiah

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians)

Tanak (Scriptures from Genesis to Malachi)

YHWH - The four letters of the sacred name of God.

HTHS - Hidden-Truths Hebraic Scrolls - All references from this bible unless otherwise stated.

If we lay the claim that the bible was given to the Jews then one must be careful how we use that term today since the word JEW derived during the 17th century of the Common Era when the letter J came into use and this particular word was used as a racist word for the modern European Jewry. The ancient term is Yahud or Yahudi which is more accurate to use for the children of Y'sra'el but mostly the children of Y'sra'el never applied this term to themselves and called themselves Y'sra'elites.

If one asserts that the Bible was given to the modern Jews then one has to prove that Adam was of the Caucasus Mountains where modern European Jews came from and we know He was not since he also was taught the Torah. He was "created and made in Africa" as was ancient Y'sra'el an African nation which came in all dark chocolate colours. Just because a different race of people today inhabits Y'sra'el this does not make them the progenitors of our faith. The same as if one looked at South Africa ten years ago which was ruled by Apartheid mostly Caucasians it did not make Africa a white country.

Then we must answer which Bible Abraham taught from since he also had the Torah the law of El though not yet fully revealed as it was on Mount Sinai. (Gen 26:5) and he was of Negro bloodline too since all other Negroes came from him that is including me and don't be confused by my lighter brown skin colour some of us are even lighter than this. This is one of the skin types of Negro people. Let me show you that this truth is known by suppressed and hidden from Christians and others today partly due to our forefathers sins who did not hold the Contract/agreement of YHWH so were punished rightly so and until we acknowledge our sins and turn back to YHWH we will remain in obscurity.

According to Zondervan's Compact Bible Dictionary listed under Ham it defines as such: The youngest son of Noah, born probably about 96 years before the Flood; and one of eight persons to live through the Flood. He became the progenitor of the dark races; **NOT THE NEGROES**, but the Egyptians, Ethiopians, Libyans and Canaanites.

Which means that all of Noah's children were of a dark race including Noah because the Ark landed in Africa. So who was the father of the Negroes? That would be Shem from whom Abraham descended. Please note Abraham had a wife from each son of Noah that is one of his wives was from Japheth, two from Shem and one from Ham.

So now we know that Ham begat the families of dark races such as the Egyptians, Ethiopians, Libyans and Canaanites but Ham IS NOT the **father of the Negroes**.

The Negroes were the ones from which we got Abraham a son of Shem and Isaac and Jacob. This by definition tells us that even Esav or Edom was black. The Torah tells us this fact plainly but it's obscured by bad translators.

Hidden-Truths Hebraic Scrolls

Beresheeth 25:25 And the first came out reddish-black,¹ he was like a hairy garment all over, so they called his name Esav.

When we look to the Patriarchs for answers such as Abraham who had African ancestors then people usually pause and ask the question "How can Abraham have African ancestors if he came out of Iraq?" This is the common error of Western Scholars.

How can Abraham have African ancestors the same way as I have these ancestors but I ended up in England completely the opposite direction from Y'sra'el. How can that be explained? That is easy when you look at the migrations of our people out of Africa and the way people behaved after the migrations keeping their Hebrew customs not according to the local or national laws of the present nation they lived in.

For instance one such custom/commandment that was given to Abraham was circumcision but anyone with any real historical understanding will tell you that this was not new and that the earliest people to circumcise were the Egyptians specifically their priesthood. Note Egypt was the son of Ham a black person. It was considered unclean for priests and priestesses to be uncircumcised in Egypt. It is highly likely that princess Hagar Abraham's Egyptian wife was also circumcised because of her Egyptian heritage who was the daughter of Pharaoh (Gen 12:16). So what colour was Pharaoh and his maidservants or in other words his concubines note Princess Hagar was his daughter a black princess as was Sarah a black woman from the line of Shem but she had Cushite blood also as one of her parents was Cushite just as one of Abraham's parents were Cushite? She was from the region of Chad in Africa.

This custom is still kept in Africa by some tribes who circumcise both boys and girls. Yahuweh never commanded women to be circumcised simply because women are not called into the priesthood and women cannot be Priests while Egypt did have women priests' hence one can see why they were being circumcised and some are still today in Africa. We can see the Egyptian teachings have crept into churches quietly unawares where women are once again becoming priests but not in YHWH's kingdom.

Ever wondered why this custom of circumcision is not kept by American women or the English people as they see this as an abhorrent custom? Because they have no connection to Y'sra'el or Egypt for that matter and are a total separate people who came out from Japheth.

Was Yahuweh therefore copying the Egyptians? Heaven forbid No, He was binding a covenant with Abraham and using local understood principles but with better conditions attached and also separating man and woman into their proper roles and about to make

¹ Brown colour of African descent.

a new priesthood of men only which would arise out of Egypt from the Y'sralites that were removed from bondage. Now think what people in Egypt and around Egypt would remember that the supreme Power known as Yahuweh took His priesthood out of the people He released who were essentially slaves. This by the way was well known in the ancient world in those countries as this fame was wide spread of how Yahuweh crushed Egypt with the plagues.

Abraham's mother Amtilai was the daughter of a priest called Karnevo according to Baba Batra 91a. His mother was a Horite from the Temple of Karnak and Abraham's people were Horites who had the expectation of the son of Osiris and Isis descending in human flesh to rescue his people. His mother originated from Bethlehem where Abraham had lived as a baby and his father would regularly visit him and sojourn between his two wives of the North and South divide. His Northern wife which is not named and neither is his southern wife controlled territories. It is well known in history that the Horites lived in Bethlehem.

Note Isis was a black African woman and the name of Paris is derived from this black woman the queen of Egypt. Old France used to worship Isis, surprised? Well at Abrahamic-Faith you learn something new every time that is why we provide cutting edge information that no other faith group usually provides so that we help our Hebrew Y'sralite people know and live their faith more abundantly and serve Yahuweh.

The French historian Lemaire de Belge details in 1512, that an idol of the goddess *Isis* had been worshipped in the Abbey of St. Germain-des-Pres in Paris.

In 1608 the editors Pierre Bonfons and Jacques du Breul republished Corrozet's book under their own names and retitled it *Les Antiquites et choses plus remarquables de Paris, recueillies par M. Pierre Bonfons et augmentees par Frere Jacques du Breul*. Jacques du Breul was a Jesuit monk from St. Germain-des-Pres, and thus presumably conversant with the records kept at that Abbey. He wrote:

“At the place where king Childebert (5th century AD) had constructed the church of St. Vincent now called St. Germain, and to which he donated his fief of Issy, the consensus was that there was there a temple of Isis, wife of Osiris, also known as Jupiter the Just, and from whom the village of Issy got its name, and where can still be seen an ancient edifice and murals which are believed to be from the castle of Cildebert.”

²As early as the 15th century AD, many Parisian historians believed that the city of Paris owed its name to the Egyptian goddess Isis. There are various manuscripts from around 1402 AD at the Bibliotheque Nationale in Paris which contain drawings of the goddess Isis garbed as a medieval noblewoman seen arriving by boat to Paris and where she is greeted by nobles and clergymen under the caption ‘The very ancient Isis, goddess and queen of the Egyptians’ .

“In the days of Charlemagne (8th century AD)... there was a city named Iseos, so named because of the goddess Isis who was venerated there. Now it is called

² <http://homepage.ntlworld.com/fusniak/talisman/articles/isisofparis.html>

Melun. Paris owes its name to the same circumstances, Parisius is said to be similar to Iseos (quasi par Iseos), because it is located on the River Seine in the same manner as Melun.”

After sometime, Radel reported to Napoleon that the evidence he had examined supported the claim that the ‘Boat of Isis’ was the very same as the ‘Boat of Paris’. Impressed by Radel’s report, Napoleon issued written instructions on the 20 January 1811 to the effect that the Egyptian goddess and her star be included on the coat-of-arms of the French capital city:

One can clearly see where Rome gets its inspiration from.

Please note that Isis was not white as falsely depicted in many paintings but she was a black African Cushite queen of Egypt ruling over black people of that land. Unfortunately due to issues of skin colour of the Caucasian race they had to make everyone else white including the false “Jesus” taken from Borgia Cesare. See the article Do you love Jesus or Borgia Cesare? [Link](#)

Even in secular history the famed General Hannibal is depicted as white is fake but he was also a black skinned African who came through the impossible alps with his elephant army and he crushed 70,000 of Roman finest warriors with his bow flank with a smaller army. This fighting technique is still taught and used in military schools around the world today.

This prophecy of Horus the son of Isis and Osiris which was followed through by the Horoite people is ultimately fulfilled in the Messiah Yahushua who came in the flesh to rescue His people Y’sra’el but this was the expectation of Abraham’s people who built shrines near waterways and Abraham also dug and used wells for commerce. His father Terach controlled a whole segment of the Euphrates River under the tutelage of King Nimrod who is known possibly as King Sargon.

Abraham converted to Yahuweh at an early age and left this belief of Horus but many people in his family continued in that belief system and also know about Abraham being visited by Yahuweh and the earlier patterns which can be seen all over the Bible. This is why Abraham’s Judaism was very different from Talmudic Judaism invented after the destruction of the second Temple. Yahushua’s Judaism was not Talmudic either.

In Abraham’s Judaism there was room for the Son of El with two crowns but in modern Judaism this is rejected because of unbelief and even though Scripture clearly calls a

divine being the Son of the Most High YHWH (Ps 2:7) but modern gentile Jewry is too blind to see this.

Abraham who was from the Horoite priestly clans teaches us the principles of why Yahuweh gave him circumcision. This also should prompt us to look at Abraham's people such as Noah whose Ark landed in Africa contrary to popular mythical legends placing it in Turkey misreading and misapplying ancient Hebrew scrolls of the Torah called Ar-Meni Armenia rather than Har-Meni the Mount of Meni.

<http://www.african-israel.com/Simon/HTML/The%20Ark%20of%20Noah%20by%20Rabbi%20Simon%20Alt%20af.html>

Today in Pakistani a place called Monjodaro and Harappa there are relics of an ancient civilisation that lived in very advanced conditions that had travelled out of Africa to go and live there with several of their Temples today under water. These were also Horoite Temples.

However one should investigate the facts and unlike other people, which continue to believe the often cited error that modern Jewry came out of Egypt this is not true they came out of the steppes of Russia. Many people in both India and Pakistan are from ancient Hebrew bloodlines but such is not reported but people continue to chase Caucasian blood for the ancient children of Y'sra'el while the real Hebrews were actually black and of either light or dark brown skins.

The truth is that Ashkenazim Jewry came out of the Caucasus Mountains and not from Egypt. They are actually gentiles and not Semitic, ironically these ignorant people call others anti-Semitic while they themselves have no Semitic blood! Just because you give yourself the name Kohen or Moshe it does not make you the line of priests and make you of the biological blood of Abraham. One wonders in disbelief why Yahushua calls them the children of the devil. Just like Yahushua who spoke truth and became a target for them so is anyone else today that speaks truth and names people who are gentiles like the Ashkenazim would be a target for hatred and bigotry.

Yahuchannan (John) 8:40-44 But now you seek to kill me, a man that has told you the truth, which I have heard of Elohim: Abraham did not do this. **41** You do the deeds of your Abbah. Then said they to him, We are not born of whoring; we have one Abbah, even Elohim. **42** Yahushua said to them, If Elohim were your Abbah, you would love me: for I proceeded forth and came from Elohim; neither came I of myself, but he sent me. **43** Why do you not understand my speech? Is it because you cannot hear my word. **44** You are of your Abbah the devil, and the lusts of your Abbah you will do. He was a murderer from the beginning, and stayed not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the Abbah of it.

Yahushua spoke very harsh words to those who were from Shem but not the children of Yaqub (Jacob) but were Edomite converts to Judaism or from the line of Esav. These are hard words and you can choose to believe the Master or reject his words as false. I choose to believe them and understand what My Master really was trying to teach and how they apply to many who claim the land of Y'sra'el of my forefathers as their own.

The historicity of European Jewry is documented by many historians such as Arthur Koestler in "The 13th Tribe" and Professor Shlomo Sands in his book "The Invention of the Jewish People."

<http://www.khazaria.com/brook.html> Some info can be gleaned here from the book Jews of Khazaria by Kevin Brook. Its an embarrassment for Russians to admit that they had a very large empire of Eastern Europeans living in Judaism right next door and they try to remove this history from their history books while it is an obvious fact known to many that the people in Ukraine, Kiev and Odessa came from Khazaria which are the many Khazari converts who later migrated to Y'sra'el with the help of Christian money and Jewish money which later claimed to be the genetic children of Jacob.

Funnily enough the modern Jewry has more common ancestry with Changez Khan (Genghis) than with Abraham since the sons of Abraham were black African men who would thus produce more black children which were later called Y'sralites from Jacob's loin. Anybody at that time who looked remotely white or of Caucasian skin was seen to be cursed so people were really afraid of this skin type in ancient Y'sra'el. Generally there were some people who had white skin due to albinism which is common in African skin types hence why find Laban was an Albino (Gen 24:29) who was the brother of Rebeccah. People were named for their types such as Laban for being a white Albino.

Look at the article In search of the real Hebrews.

<http://www.african-israel.com/Simon/HTML/In%20search%20of%20the%20true%20Hebrew%20Y'sra'elites.html>

The ancient Y'sralite nation seemed to mix very well with the Egyptian blacks who were Hamites. The early ancestors of India and even China were from Black men out of Africa. When Y'sra'el was in captivity in Iraq and Iran only 25% of the captives returned back to Y'sra'el some attest 20% to repair the first Temple, while the majority remained in Babylon and even pushed further to other regions such as India which later became Pakistan and Bangladesh.

Once we clarify that Moses was an African then we need to look for the people of Y'sra'el in these regions. When we see popular movie error where the Hebrews are depicted as Caucasians then one cannot find the real Hebrews there but only transplanted ideas of men.

Abraham had four wives which is a pattern today seen in many Muslims and not Jews of Europe because Muslims also carry customs of Hebrews and many Hebrews exist within Islam who were forcefully converted into Islam centuries ago. The black moors that went and conquered Spain were of this stock. Today if you find the name moor in someone's name that is because they have relations back to the moors of Spain. Note these were cultured people who brought much new culture and science to the Europeans who were living in dark dismal conditions. Their kings were living in dark castles. The Muslim moors were not originally of Arab stock but there were many moors who were of Hebrew blood lines and they were made slaves into Islam from which later they emancipated and became the marching fighting machine for Islam.

Some Europeans don't like to admit their past that the black moors had a hand in shaping their history. This is why we need to understand everything happened for a reason and there is a cause and effect.

Following the ancient pattern of our forefathers Abraham had the pattern of placing a wife in the Northern territory which was Sarah in Shechem and one in the South that was Keturah. Sarah's ruler prince son Isaac controlled

<http://www.african-israel.com/Simon/HTML/The%20Study%20on%20Abraham%20part%201-Sarah%20by%20Rabbi%20Simon%20Altaf.html>

These patterns are not random but are African/Asian patterns only. You will not find any such pattern in the West since the West really has no connection to the ancient Hebrews apart from when they were taken there by force through slavery and even to this day many blacks are treated poorly.

Our people who were taken as slaves in the cross Atlantic Slave trade even they have forgotten these patterns and are mostly living like gentiles as if their names were originally Mike, Steve, Michelle, Faith and Grace. These are Christian names given to our people by their slave masters who were first slaves and later removed from slavery in the west. By the way the most brutal slave masters in the west were your typical fiery preachers who would beat their slaves first and then go and preach a sermon about how Sha'ul said for the slaves to be obedient. George Whitefield (Dec 16th 1704- Sept 30th 1770) one of the founders of the Methodist theology was much loved and had thousands of people attending his sermons both in the UK and US, even Benjamin Franklin went to hear him. He not only owned many black slaves but he fought for black slavery to be legalised. He argued that without slaves farms would have no labour. This was true only because of the laziness of the local Caucasian populations much like today the laziness of the Arab Gulf states that import cheap labour to do the jobs that they should be doing but they would rather ride their prestige cars then be seen cleaning the streets or washing dishes.

George Whitefield did not beat his slaves but treated them well so they respected him and he spoke against other slave owners who beat slaves. This is all documented in the Torah why our people would go into slavery due to the rebellion of Torah. Now consider this if Caucasian Christians were Hebrews then where does the Torah say that Y'sra'el would enslave Y'sra'el it's a contradiction. This means the enslavers that are spoken about in the book of Deuteronomy are actually called gentiles which firmly places at least many Caucasians into the gentile category including East European Jewry. However when the slaves arrived in Europe and America and from the time they were free they freely married Caucasian women or that Caucasian men who married Black women and then we do get a mix in which some Caucasian people would be Hebrews no doubt. So this is not to say that the entire Caucasian race is gentile but there are remnants of Caucasians who belong to our people Y'sra'el but the problem is many still live like gentiles.

In the Renewed Covenant even Yahushua used terminology which was more common to Africans than Europeans such as the term "My Father's house."

<http://www.african-israel.com/Simon/HTML/The%20Study%20on%20Abraham%20part%203%20My%20Father.html>

So it would be correct to say that the Torah was given to African men who were Hebrews, the correct term given to them is **NEGROES** which is mentioned in the Renewed Covenant.

Ma'aseh Shlichim (Acts) 13:1 Now there were certain prophets and teachers in the congregation that was at Antioch; as Bar'nabah, and Shimeon (Simon) that was **called Niger**, and Lucius of Cyrene (North Africa), and Manaen, which had been brought up with Herodes the tetrarch, and Paulos (Sha'ul).

The Hebrews were Black people. Niger in Latin means Black. The ancient term would be Nigri. The English term would be Negro. Now go and check your Bibles and concordances for what I just showed you.

I guess some people would be ashamed of belonging to Negroes after all what do they have in terms of wealth, prestige or honour. They don't own the IMF, World Bank, News Corp or Hollywood like the Jews but I found my people not in these said names but my people were the most dejected, rejected and neglected in society just as when Moses left the Palace to go join his people.

Yahushua was of dark stock and yes by modern definition a nigger who was also hated by the Edomites who thought they were chosen by just calling Abraham their father (John 8:39). He came for the rejected and dejected in our society he came for the lost sheep (Isa 61:1, Luke 4:18, Matt 15:24) but the millionaires and billionaires don't want him because they are happy with their paper wealth which will not carry into eternity but will give them comfort in this life. Sure we have a very hard time in this world where wicked prosper and even increase in wealth which we find hard to understand but they have no future.

Psalm 73:12, 16-18 Behold, these are the wicked, who prosper in the world; they increase in riches. **16** When I thought to know this, it was too painful for me; **17** Until I went into the sanctuary of the El (Power); then understood I their end. **18** Surely you did set them in slippery places: you cast them down into destruction.

When I had an AD put in by the kindness of one particular Rabbi in his publication in the US for prisoners to receive a free Torah I realised how many Black Hebrews today are in jails when I received overwhelming letters for Torah and people telling me that they are so very poor and that they want to serve YHWH but the Jewish Rabbis are not interested in them and when they write to them they may respond to some of them and to others no response is given. One Yahudi wrote to me that he is a Yahudi but very poor, I told him not worry about money I will send you the Torah and we can start here now I am your family.

I am going to say I am not ashamed to join my people yes those who are called niggers, coons, porch monkeys and spooks because though our people really have nothing in terms of wealth, honour and prestige left after YHWH punished them for their stiffnecks but I know we have Yahuweh our Elohim who did call us out and our people have an eternal destiny. Since Yahuweh has been so severe with our people how can anyone

believe the lie that He will be relaxed about it with the Christian lawlessness in churches? This is a good imagination and road to She'ol and everlasting death.

Remember when the civilization restarted Noah had started from Africa where his Ark landed and this is also the place for Adam's creation. YHWH did not look the other way for Adam and say I did not see that even your wife sinned against me and you ate also.

In Genesis 3:24 the Hebrew puts it this way V'Yigrash ET HaAhdahm meaning in polite terms "please leave" but in reality He said "OUT. GET OUT OF HERE" just as a husband who divorces his wife and tells her to get out and throws her out Adam was also thrown out by the angels and the garden doors locked.

Some people can scoff at these histories and claim to know better but in reality YHWH dealt with the Black Hebrews who were stiff-necked and sinful but He also promised a full and complete restoration. Moses looked like an Egyptian (Exo 2:19) and the real Egyptians were a dark black race of people unlike the Hollywood Jewish variety which are Caucasian. Coincidence or is YHWH trying to lead you to the true Hebrew Y'sralites?

Even Yahushua as a baby ended up in Egypt (Matt 2:13). Have you ever wondered why the Father sent Yahushua His Son into a black country? Because Yahushua wasa baby of colour.

So one has to analyse that the modern Jewry who are in majority the sons of Japheth are a transplanted people in Y'sra'el and not Semitic as they claim. I can claim to be related to the Queen of England but that does not make me her relative since I have no German blood. Likewise the Torah before being fully revealed at Mount Sinai had been given in part to these African men such as Adam, Able, Enoch, Noah, and Shem. Enoch more accurately Hanok a chief with Noah and Shem operated the first Yeshivah teaching people Torah. How did Abraham operate a Yeshiva in Kasdim without any Torah? He had access to the books that both Enoch, Noah and Shem had since he was their student and he knew the flood account first hand from both Noah and Shem who were alive during Abraham's time when he was a mature young man.

The Torah was indeed given to Y'sra'el my ancestors the people of African looks. The Levim were chosen as eternal teachers with an eternal covenant to go with it which is the reason why I was called out of Islam in 1998.

If there was no eternal covenant with the priests of Y'sra'el then there would be no calling for me and others of Levitical bloodlines and I know if this was not the case then I would still be a Muslim today. Praise be to YHWH that he is faithful to his covenants and does as He has written.

Likewise Yahushua was a Hebrew of the tribe of Yahud and taught according to the will of His Father the eternal Torah and came as an Olah (offering), an Asham (a sin offering Isa 53:5-10) just as Abraham the African Abaru the real word behind Hebrew with family relations to Nimrod the Cushite (Ethiopian) King. Abraham was commanded to take his son Isaac while Yahushua was asked by His Father to go for a sacrifice at the Altar in the Mount of Olives on a living Tree. Note the Son of YHWH and the son of Abraham did not object and wilfully took up the offer.

Yahuweh indeed played out the African story of our people, their lifestyle and their way of life. The question is do we have the eyes to see it or are we going to continue to believe the lies paraded in churches and Christian Radio/TV Channels today.

Let me give you one more defining proof that the ancient children of Y'sra'el were black of African ancestry. In the book of Yeshayahu (Isaiah) we are told the following truth which is usually glossed over by most without understanding it.

Yeshayahu (Isa) 20:3 And YHWH said, Like as my servant Yesha'yahu (Isaiah) has walked naked and barefoot three years for a sign and wonder upon Mitzrayim (Egypt) and upon Cush (Sudanese Empire);

There you have it. Yeshayahu walked naked and barefoot as was the punishment inflicted on Y'sra'el to do the same but in this instance of the prophecy the punishment came upon Egypt (Black races from Ham) and Cushite (Black race of people). Some of the people had an undergarment and others did not have anything on and were literally Alef naked. This was the way captives were marched to show others what will happen to them if they don't behave with the conquering king.

How many people in the Western world have you seen live or behave this way today or even two thousand years ago? Yes sure you see the odd man or women running on a cricket pitch or football pitch naked for TV fame and vain glory while a policeman tries to cover their private parts.

Even today both in places of Africa and the jungles of Brazil we find people living in the same way. If you become naked in the streets of London even a hundred years ago you would likely to be taken in by the police and arrested for exposure but no one arrested Yeshayahu. Why was that? The black Hebrews at that time thought Yeshayahu is not wearing clothes and must have gone mad so they would avoid him not heeding what he was saying. The Bible is covered from cover to cover with these types of African signs and symbols but since the great deception is full on therefore many are blinded and still unable to see this.

Rev 12:9 And the great dragon was cast out, that old serpent, called the Devil, and Shaitan (Satan), which deceives the whole world: he was cast out into the earth, and his heavenly messengers were cast out with him.

Beyth Yahushua – the Son of Tzadok, the Son of Dawud

Would you like to know the identity of Yahushua's family the man you call Jesus? Did He have brothers and sisters, did He get married, and are not Rabbis meant to marry?

Is it true if Mary Magdalene was His wife and if not then what relationship did she have with him?

Are you fed-up of hearing objections from unbelievers such as “since you do not know who Matthew, Mark, Luke and John were then how can you claim to have the truth?” Now you will know the truth without asking your pastor.

Who was Nicodemus and what relationship did Yahushua, Jesus of Nazareth have with Nicodemus? Who was the wider family of Yahushua?

For far too long He has been portrayed as the wandering man with no belongings and no family and living outside his home with women offering him money and food. This picture is both misleading and deceptive.

Do you want to know the powerful family of Yahushua that was a threat to Rome?

Who were Mark, Luke, and Matthew? Was Luke a gentile or a Hebrew priest?

What about the genealogy of Luke and Matthew in which the two fathers of Yahushua mentioned are Heli or Jacob in Matthew chapter 1:16 and Luke chapter 3:23 respectively?

This book will give you new insights and the rich history of Yahushua. Next time you will be able to identify the ten tribes and the real Messiah Yahushua known as Jesus of Nazareth.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a believer who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life. How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Ysrael.
